I FOUND A MILLION DOLLAR BABY

4/4 1...2...1234

Love comes a-long like a popular song, any time or any-where at all.

Rain or sun - shine, spring or fall.

Say, you'll never know when it may say hel-lo in a very unexpected place.

It was a lucky April shower, it was the most convenient door

I found a million dollar baby in a five and, ten cent store.

The rain continued for an hour, I hung around for three our four.

Around a million dollar baby in a five and ten cent store

She was selling chin - a, and when she made those eyes

I kept buying chin - a until the crowd got wise. Incidentally....

If you should run into a shower, just step inside my cottage door

And meet my million dollar baby from the five and ten cent store.

HERE, THERE, AND EVERYWHERE by The Beatles

Arr. Cory Brendel 2019

INTRO

To lead a better life I need my love to be here

Here, making each day of the year

Changing my life with a wave of her hand

Nobody can deny that there's some thing there

There, running my hands through her hair

Both of us thinking how good it can be

Someone is speaking, but she doesn't know he's there

 The plucking pattern

I want her everywhere

And if she's beside me I know I need ne- ver care

But to love her is to need her ev - erywhere

Knowing that love is to share

Each one believ - ing that love never dies

Watching her eyes and hoping I'm al - ways there

I'll be there and ev - erywhere
